1. This is the petition which impugns an order passed by the Deputy Registrar, Co-operative Societies, (Milk) Maharashtra State, Mumbain in Revision Application No.18/2004 which allows the registration of defendant no.5 which was on the date of passing of the proposed society. Learned Advocate for Respondent no.5 states that the registration has already been effected on 15.4.2005. It is an

admitted position that against the registration, there is an appeal under Section 152 of the Maharashtra Co-operative Societies Act. Perusal of the impugned order indicates that the same has been passed on the footing that all the conditions which are required for registration under G.R.No.4/1/2000 have been complied with. Respondent no.5-society is said to have been 109 members of which 103 members have animals which produced milk. Their milk production capacity is said to be 260 liters daily. Government Resolution is not annexed to the petition and Advocate for the petitioner states that it is not available.

2. In my view, there is no reason to interfere in this petition as the impugned order has already been given effect to. Petition is rejected. It is made clear that observations

which are made in this order will not be used by any party in proceedings for challenging the registration if any, is filed.
